BUILT TO LAST

In the age of planned obsolescence one of the fascinations of the past is that craftsmen built for the centuries not the months. This covered bridge in Jackson, New Hampshire, is in daily use and seemingly as sound as a dollar of a hundred years ago. The wood is without paint protected by the overhang of the tin roof. The span is hung on a huge spring of a truss. This curved spring is constructed of 3" x 8" timbers bolted 12 thick to give the resilient strength to the structure. As the cars pass over, the floor boards jump, the bridge sighs and flexes. The feeling is of a living being which of course is what it is. This wood still lives and serves a continuing new generation of vehicles. The photo below shows the spring truss and the beautiful geometry of timber which hangs on its length. Whenever you consider the Yankee carpenter, this has to be one of his finer moments of creation. D.C.J.

FIRE ENGINEERS DISAPPROVE SUB STATION

The Board of Fire Engineers met with Selectmen to further discuss the possible use of a surplus fire truck in the Brandt Beach area. The Fire Engineers were firm in recommending that, if Selectmen decide to put the pumper in the Brandt Beach location, it should be done

with the understanding that it is the complete responsibility of the Brandt Beach residents. They said that the town of Mattapoisett should retain no responsibility for it. In the opinion of the Board of Fire Engineers, Brandt Beach is no place to establish a sub-station. They feel that, if a sub-station should be established, it should be in a static location to serve a radius of the community rather than a small area. As a result of this meeting, the Selectmen requested that the Board of Fire Engineers meet with the Brandt Island group for the purpose of fully discussing the proposition and conveying their view to the Brandt Beach group.

WHARF PROBLEMS DISCUSSED

Wharf Commissioner George Henshaw met with the Board of Selectmen to discuss his procedures for trash and litter control on the wharf as well as controls over boating and mooring fees.

FLOOD INSURANCE APPROVAL

A communication was received by Mattapoisett Selectmen on June 26 from Federal Insurance Administrator George K. MOLLY'S COVE LITIGATION SETTLED

Town Counsel Leonard Perry has advised the Board of Selectmen that a settlement has been reached in the case of Ralph E. Sanford, Jr. vs the Mattapoisett Board of Health. The decision is on file at the Selectmen's office for the benefit of anyone who can figure it out.

SEWAGE DUMPING SE MASS.

Mattapoisett's Board of Selectmen fired off protests to several agencies of the State government regarding the proposed scheme to dump metropolitan Boston's liquid sewage on land in southeastern Massachusetts. John W. Sears replied on June 25th that this concern had been noted and the Selectmen's opposition would receive consideration.

A June 24th letter was received by Mr. George Hall, executive secretary to the Selectmen, from William Butler, chief of water quality program, also noting the Selectmen's opposition to the scheme. Both men indicated that the plan was one of many under consideration and that no program would be started without public hearings and other steps to assess public reaction

SCHOOL TAX COMPARISON

An office of municipal planning and management study of local cost of education has been received by Selectmen. It is interesting to note that New Bedford in 1973 spent 36% of its local tax receipts on education. In this same period, Mattapoisett spent 59% of local taxes on schools. This is in a period when the city is itching to relocate its no income or low income people in the suburbs.

HUGGARD HONORED

The Board of Selectmen awarded a post-humous certificate of appreciation to Mr. William Huggard which was presented to Mrs. Huggard..

OPPOSE LATE CLOSING

The Board of Selectmen has advised Celso Branco, proprietor of King of the Road, that his request for an extension of closing time on Sunday from 1 A.M. to 2 A.M. has been denied. The Selectmen felt that it would not be in the best interest of the town to approve the extension.

REVIEW POLICE VACANCY

Chief of Police Alfred Faria met with Selectmen to review and discuss applicants for the full time police vacancy left by the resignation of Milton Heuberger, Jr. Selectmen hope to make this appointment in the near future after interviewing a number of applicants.

CARNIVAL APPROVED

A carnival run by LMC Amusement Company Inc. of 19 Marcus Street, Wilmington, Mass., has been granted a permit to operate at Mahoney's Field on July 8 through July 13 under the sponsorship of the Mattapoisett Boy Scouts.

VANDALS TAKE BEACH EQUIPMENT

Vandals took the lifeboat anchors from the bathing beach which were presumed lost. The anchors were later discovered out in the water where they had been thrown. Mattapoisett beach equipment is now secured every night.

WEATHERVANE RESTORED

The weathervane, stolen from the bandstand at Shipyard Park, has been replaced with a new one. The restored whale is a donation by an anonymous friend of the town.

FLAGS DISHONORED

A number of small United States flags of the type that are placed on graves were discovered discarded at the Mattapoisett dump. This is a profound disrespect to the flag and to the country for which it stands. According to the rules regarding the care and respect for the United States Flag based upon Public Law 829, "When the United States Flag is in such condition that it is no longer a fitting emblem for display, it should be destroyed in a dignified way, preferably by burning, privately."

Anyone in doubt about the proper display and treatment of the nation's flag can inquire of organizations such as the Legion or public information centers such as the Library.

CHICKENS KILLED BY DOG

A dog killed 21 chickens owned by Frank Bosworth of Mattapoisett Neck Road on June 22. More of Mr. Bosworth's flock have been reported killed since that time. Any information concerning these losses may be reported to the Mattapoisett Police Department for investigation.

ANGELICA POINT PURCHASE

Town Counsel Leonard Perry has concluded the settlement of the Angelica Point property purchased by the town for $8,000. from Mrs. Steeves of Pearl Street, Mattapoisett. The annual town meeting authorized the purchase for conservation purposes.

URGE GOVERNMENT TO ACT

Selectmen sent a June 24th telegram to Governor Sargent stating that Mattapoisett needs the financial aid the House Bill 6100 provides. The Selectmen urged the Governor's support for this bill.

Selectmen wired Governor Sargent on June 27th stating that the Selectmen and Shellfish Constable urge your approval of Senate Bill 1744 which is designed to increase the propogation of shellfish.

THANKS FOR MOSQUITO CONTROL

Selectmen received a letter from Mr. and Mrs. Charles Vasseler of the Brookside area of the town in thanks for mosquito control measures taken in response to their request.

SPECIAL TO THE PRESTO PRESS

Library Board Meeting

(ANOTHER VENTURE IN FUTILITY)

On July 2nd there was posted on the Town Hall bulletin board a notice of Library Board of Trustees meeting scheduled for 8:00 P.M. July 3, 1974, to be held in the town library.

Interested townspeople attended that meeting. And some notes were taken.

Minutes of the previous meeting were not read for the public attending.

The librarian's report to the Trustees was accepted by the chairman, but not read to the public. Dr. Rosenfield requested the librarian to present a summary for the benefit of the public. Chairman Waterhouse refused this request.

It was announced that State Aid had been accepted in the amount of $1,687.50.

The gas meter will be re-located to an exterior wall at an estimated cost of $30.00. An application request for this change will be filled out.

The chairman asked the librarian about the re-organization of the card catalogue and Mrs. LaPlante pointed out the exper-

tise required for this task. The chairman urged Mrs. LaPlante to expeditiously proceed with this assignment. The chairman asked Mrs. LaPlante if she had registered for any classes. The librarian responded that she had no plans for taking classes at this time.

Mr. Humphrey was asked by Dr. Rosenfield on behalf of the public if all of the projected plans could be effected within the $37,000 budget voted at the annual town meeting. The reply was, "that with the current inflationary spiral it would perhaps exceed the $37,000."

Mrs. Bennett asked the chairman if the Trustees ended fiscal 1974 without a deficit budget. Mr. Waterhouse did not reply directly to this question but talked instead of the projected fiscal 1975. After persistent questioning he stated that the salary budgets for 1974 were over-run because of "vacation" severance pay generously given to the resigned staff. (Parenthetically, Mrs. Putman refused and returned her check.)

Mr. Oliver LaFrance, President of the Friends of the Library, asked the chairman if the Friends could undertake a project of having the Barstow painting restored. Mr. Waterhouse responded, "No, we have plans of our own. We do not consider you friends of the Trustees nor of the library." Mr. LaFrance said, "Not friends of the Trustees; friends of the library. Sometimes the hand of friendship must be extended." Mr. Waterhouse concluded, "We don't want your help. We don't need you!"

The chairman announced that the Board was going into executive session to discuss the librarian's salary and hours.

A request from the floor was made pertaining to the new library hours (Monday, Wednesday & Friday from 2 to 8 P.M.; Saturday from 1 to 5 P.M.). The librarian in response stated, "These are our summer hours, but I am most willing to provide any hourly arrangement suitable to the townspeople."

However, the chairman stated that "the new hours are for a six-month trial".

Mr. Robert Humphrey (LaBonte and Humphrey, Architects) arrived at 9:00 P.M. with plans for the projected access ramp (state sponsored aid to the handicapped). The blueprints were presented to the Trustees, one of whom suggested that they be hung on the wall for the benefit of the visitors. The chairman ruled that the blueprints would not be shown to the visiting public.

A Member of the Friends of the Library

CHAIRMAN WATERHOUSE'S COMMENTS

The above account of the July 3rd Library Board of Trustees' meeting is disputed by Mr. Richard Waterhouse, chairman. Mr. Waterhouse states that, at this meeting, the blueprints were displayed in full view of everyone, on a table. He stated further that the report of the librarian is not withheld from the public but, to the contrary, is published weekly in the Presto. I inquired of Mr. Waterhouse, whether this simple listing of books and events constitutes the com-

Desk .. a reproduction so authentic that not only the grace but the character of its use is preserved. Visit this corner of our shop for a treat for your senses.

plete report of the librarian. He replied that the Presto is furnished a weekly report from the librarian. (The Presto is furnished a list of new books and events which we publish in full. If this list is the full report of the librarian, I am astounded-a reaction given to the chairman of the library board.) I also inquired of Mr. Waterhouse if he would say who the Library Trustees represent. He replied the town of Mattapoisett. I questioned, "Does that mean the people of Mattapoisett?" He replied, "the town of Mattapoisett."

In response to my request for information on the library plans Mr. Waterhouse referred me to the architect Mr. Robert Humphrey. Mr. Humphrey was kind enough to go to his Acushnet office to make blueprints after getting Mr. Waterhouse's authorization. The blueprints will be displayed in the Presto office for the information of any citizen of Mattapoisett who may examine them during Presto office hours. Mr. Humphrey explained that the primary purpose is to strengthen the building with steel beams, to pour a concrete slab floor and to move the boiler and enclose it in a cement block room with a ceiling. The plans also include a stairway on the north side and a ramp for wheelchairs. A toilet adjoining the stairway is included and a small sink room also. The plans are in a tentative stage and are subject to revision at this time, depending on official requirements, Mr. Humphrey explained.

Replies re Library

The Mattapoisett Board of Selectmen has responded to my request of June 19th for the removal of the Mattapoisett Public Library from the Federal Revenue Sharing list. This request was made with the knowledge that the list was non-binding. It was made in the hope that it would accomplish two things. I sought to focus the attention of the Selectmen on a town meeting vote which had been negated. The Selectmen responded by calling a meeting,

NOW•PAK™

plymouth home solves THE NOW ACCOUNT puzzle

Everybody's offering NOW accounts, including Plymouth-Home National Bank. What's the difference? None really. NOW accounts by themselves don't vary much from bank to bank.

Here at Plymouth-Home we've introduced NOW accounts, but we've added a few extras . . . we put together a package of banking services and call it NOW • PAK. By itself, a NOW account is useful mainly as a checking account for those who write relatively few checks, live on a limited income, or make frequent savings withdrawals. NOW • PAK is a whole new direction in NOW account services, designed to make your banking easier, less confusing and more convenient to you. It includes:

• 5% DAILY INTEREST • MONTHLY STATEMENTS •
PLUS
• TELLER 24 FOR ROUND-THE-CLOCK BANKING •
• MAXICHECK CASH RESERVE•
• AUTOMATIC CASH TRANSFERS •

This total banking package is available to you only at Plymouth-Home for only 10¢ a check. We've put together a completely unique package. With NOW • PAK you can solve your banking puzzle.

reviewing the town meeting tape which resulted in compliance with the vote of the citizens. The second result I hope for is to call the attention of the Library Board of Trustees to the fact that they represent and act for Mattapoisett people and are not free agents. There is a difference of view between elected and elector as to the future of the library. The townspeople are ignored and excluded and have no redress except the considerable moral leverage of the Selectmen's office. The Selectmen indicated the June 19th request will be given due consideration. I sincerely thank them for their support and prompt action to date.

HOURLY RATE FOR LIBRARIAN

It is our feeling the Librarian position is properly classified in Grade 7 Administrative which calls for a minimum rate of $3.80 per hour.

In view of the budget approved by the Town and the basis for this budget the rate for Librarian will be $2.54 per hour effective July 1, 1974. It is our understanding that this is the rate the Town wishes to pay the Librarian for a 22 hour work week. The rates for Library Personnel are as follows: Library Clerk A $2.32, Library Clerk B $2.11, Custodian $2.23 per hour.

James F. Greene, Chairman
Personnel Board

A GREAT TRIBUTE

There is nothing more that I can say except that as I listen, see, hear and feel with an understanding ear, I would say that the "greatest tribute" that day was by one Bill to another Bill. In the midday heat of that hot day under a blazing sun and with every excuse to remain away, Bill Hubbard, our Selectman, on two crutches, with two broken vertabrae and a slipped disc, was there. I would say this is a true act of love.

Letter to the Editor

I was swimming in Mary's Pond on Sunday afternoon and was almost decapitated by a speed boat. I called the Rochester police and was told that it is perfectly legal to have high speed motors on the pond, although apparently there is pending legislation to outlaw all motors from 9 A.M. to 6 P.M.

I urge all mothers who have small children to protest this delay, or for that matter, all swimmers who are interested in preserving their lives.

JULY FOURTH RACES AT THE MATTAPOISETT YACHT CLUB

With a full day of planned special events, the Mattapoisett Yacht Club opened its 1974 racing season Saturday, July 6th. Beetle Cats, 420's and a cruising class participated, the latter vying for the coveted J. Lewis Stackpole Trophy.

The slate of winners included Laurie Jenney, Dave Jenney, Jim Holt and Steve Ruel*.

The skies were clear, seas smooth and the temperature pleasantly warm, but the light fickle wind posed somewhat of a problem, as it shifted from NW to SW, at time dropping well below 10 miles during the morning hours.

At 10:30, the fleet of five Handicap Yachts began their 12.3 mile course to Flashing White Bell 7, to Bow Bells Black Can 11 off Aucoot Cove, to Angelica Point Red Nun 2 and finish at Ned's Point. On corrected time, Steve Ruel* at the helm of Tiara took top honors, besting both Susan McGowan's Gryphon and Chester Young's Spindrift.

The Ladies' Race at 10:40 started out quite briskly, but before long the wind slowed down so perceptibly that the course had to be

shortened to bring the sailors in on schedule. Laurie Jenney in Ariel was the victor, followed by Valerie Putman's Paddington and Susan Whalen's Frolic.

In the afternoon, however, the breeze began to pick up, and the skippers in the 420 Open and the Beetle Cat Open made the most of it.

The division of 420's, the first to set sail (1:30) saw Jim Holt's #12127 take the initiative and continue on to win. Harvey Pentleton's #15320 and Mark Roberts' #12414 finishing in that order.

The Beetle Cat Open, next at 1:35, gave promise of being quite competitive, but as Jimmy Broadwater's Agamemnon began to fall back, Dave Jenney in Ariel gained the lead. Bill Downey's Ask Mom, in third, was not far behind.

FALLEN ANGELS AT MATTAPOISETT CONGREGATIONAL CHURCH

If you think that this article is going to be a theological discussion you may as well stop reading, but if you realize that it is about Noel Coward's hilarious comedy being presented to benefit the restoration fund on July 26, 27 and August 2, 3, you'll probably be interested.

When you come to the play, you'll see six actors on the stage brilliantly performing the characters that Mr. Coward has interwoven in this domestic joviality, but you'll hear about them in next week's article. This week, however, I want to tell you about some of the other "characters" that are helping to get the show on the boards.

Richard Helfand, the director, who has appeared in Old Rochester and Marion Art Center productions in the past, is now a student at Framingham State College where he has been involved in every production either on the stage, behind the stage, or as the director. He strives to entertain the audience. "Entertainment is what theatre is all about. That's why I like comedy. I always have directed comedies and I hope I always will. I want people to come to the

There are countless other faceless people who make the show possible. Robin Rusinoski is the stage manager. There are people building the set, making posters, making refreshments, selling tickets .... the list is endless. So, if you want to support them and the restoration fund and have a good time for yourself, come. DON'T BE A COWARD.

The Mountain Stream - flowing down the slopes of Black Mountain, New Hampshire, this stream drops over the bedrock of New Hampshire to form a waterfall of great beauty. The falls, one of hundreds along the New Hampshire rivers, is a treat for the spirit and a joy to the eye. Jackson Falls lies upriver from this picturesque bridge also on the cover. Both are New Hampshire attractions for travelers from all parts of the country.

Marine Paintings

MARION ART CENTER EXHIBIT

On Friday, July 12th, from 6 to 7:30 P.M., members and guests of the Marion Art Association will be invited to an opening of the Albert Bigelow-Andrew Hepburn Exhibit of marine paintings which will be hung in the Cecil Clark Davis Gallery from July 12 to August 2. Both artists are residents of Marion and have had experience at sea.

Albert Bigelow's oil paintings are concerned with the "working sail" of the New England coast from 1895 to 1925. These include Cape Cod Catboats, Friendship Sloops, Kingston Lobsterboats, 3-masted and Coasting Schooners as well as the "Mary Celeste" and the yacht "America". Eight of Albert Bigelow's paintings are in the permanent collection of the Mystic Seaport. His style and workmanship reflects his interest in such masters of the medium as Titian, Rembrandt, Hiroshige, Van Goyen and Goya.

Andrew Hepburn's watercolor paintings are influenced by his background of vacations spent in sailing coasters, banks fishermen, ocean-going sailing vessels and steamships. During World War II he served in destroyers and destroyer escort duty in the Atlantic, Caribbean and Mediterranean.

Carnival Time!

AMUSEMENT CARNIVAL

Boy Scouts of Troop 53, Mattapoisett, are sponsoring an Amusement Carnival this week through Saturday, July 13th, at Mahoney's Field, Route 6, across from the A & P Store. The hours are from 6 to 10 P.M. and 1 to 11 P.M. on Saturday.

VICTIM OF HEAT TREATED

One of the participants in the July 4th Road Race collapsed with heat prostration in the blistering atmosphere of the day. Chris Cooper of 32 Church Street fainted in front of the home of Mrs. Barbara Whiterell which was a fortunate location because Mrs. Whiterell, a nurse, was able to give the prompt first aid that the situation demanded. She was able to arrest Miss Cooper's rapidly rising temperature until police could arrive with oxygen equipment and transport Miss Cooper to Tobey Hospital for treatment.

HOLIDAY MARRED BY DEATH

Jeffrey Souza, 19, of 99 B Rounseville Road, Rochester, was struck by a vehicle driven by Rebecca E. Heath of 27 North Street, Mattapoisett, at 12:30 A.M. on Friday morning. The Souza boy was killed in the accident. He was apparently hitchhiking near the entrance to the Industrial Park just south of the 195 eastbound entrance. The Heath girl was reported as driving some friends home to Rochester when the accident happened.

RECTOR FOR JULY AT ST. PHILIP'S

St. Philip's Church, Episcopal, located on the waterfront, Mattapoisett, is again in summer session. Priest-of-the-month for July is the Reverend Frederick Q. Shafer, familiar to residents of this town. A warm welcome is extended to him and his family at Briar Patch Lane. Their phone is 758-3826 in the George G. Donald house.

The schedule of regular Sunday services to be followed during July and August includes the celebration of Holy Communion at 8 A.M. every Sunday, followed by Morning Prayer and sermon at 10 o'clock, with a second celebration included in the 10 o'clock service when the Sunday is the first one occurring in the month.

The summer ministry at St. Philip's is handled by two Rectors, each serving one month, the August minister to be announced later. Currently, the Rev. Frederick Q. Shafer holds the capacity of chaplain and professor of religious subjects at Bard College, Annandale-on-Hudson, New York. The St. Philip's Vestry wishes it to be understood that worshippers in all faiths will be made welcome. Mrs. Dorothy Cook is again organist, and the singing of hymns "loud and strong" is afforded by the congregation.

St. Anthony's Couples Club

The St. Anthony's Church Couples Club celebrated their 8th annual banquet at the East Bay Lodge in Osterville.

Those who attended enjoyed a delicious meal and fine entertainment. A gift was presented to the outgoing Presidents, Murray and Jean DeCoffe who did an outstanding job to make this a very successful year. Murray and Jean express their appreciation to their fellow board members: Kevin and Sandy Dawson, vice presidents; Mike and Kathleen Renzi, recording secretary; Ed and Dorothy Lewis, corresponding secretary; and Jack and Helen Hall, treasurer; and other members who have given their support to the various functions held throughout the year.

The new officers for the coming year are Dom and Claire Surprenant, president; and Frank and Marlene O'Neil, vice president. The present secretaries and treasurer will remain in office.

WHIST PARTY

A whist party will be held at Crescent Beach Thursday night, July 11th, at 8:00 P.M. and every Thursday night until Labor Day.

Ham & Bean Supper

The Executive Board of the Mattapoisett Congregational Church Couples Club is making plans for a Cape Cod Ham and Bean supper. This very popular annual affair, which feeds over 300 each year, will be held on Saturday, August 10th, from 5:00 to 7:00 P.M.

Mr. and Mrs. Richard Wayland, vice presidents of the Couples Club, are serving as general chairmen of the supper. Ticket distribution plans will be announced shortly. Save the date.

The Couples Club is also planning to hold an auction late in the summer. More information will be provided in the near future for those who have items to contribute. Proceeds from this sale will be contributed to the Restoration Fund for the Mattapoisett Congregational Church.

Another fund-raising project for the Restoration Fund will be held on Saturday, July 13th. This will be a Yard Sale at the corner of Acushnet Road and Crystal Spring Road from 10:00 A.M. to 4:00 P.M.

Giant Yard Sale

A giant yard sale of things old and things new from many Mattapoisett homes will be held Saturday, July 13th, for the benefit of the Restoration Fund of the Congregational Church.

Under the direction of Mrs. Mary Helfand and Mrs. Jane Welch, the event will be held from 10 A.M. to 4 P.M. at the corner of Acushnet and Crystal Spring Roads.

Donations of all kinds still are being accepted for the sale: treasures, trash, toys, tools, talents and treats. Donors should call either Mrs. Helfand at 6618 or Mrs. Welch at 2434.

Marion Auction & Fair

Saturday will be auction day in Marion at Barden's Boat Yard on Island Wharf. The tenth annual event is sponsored by the Summer Fair Committee of the First Congregational Church.

"Colonel" Florence Cornell, auctioneer, will begin wielding the hammer at 10 A.M. with a variety of donated articles to be sold. Items already assembled include pieces of antique glass and silver, lamps, vases, pitchers and choice furniture. Also included are TV sets, bicycles, lawn mowers, appliances and items of appeal to all ages and tastes.

Theodore Lacey and Russell Nilson, auction chairmen, will be assisted by a large crew of runners and helpers. Mrs. Russell

RATES RISE AT TOBEY HOSPITAL

Tobey Hospital recently announced a change in its in-patient accommodation rate schedule effective July 1, 1974. Semi-private rooms with four beds will go from $69.00 to $76.00. Semi-private rooms with 2 or 3 beds will go from $76.00 to $83.00. Private rooms will go from $83.00 to $90.00. Also, the four Intensive Care beds in the Barth Unit will be increased from $117.00 to $175.00.

These increases reflect the increased cost of supplies sold to the hospital, i.e., Fuel, food, Medical material, etc. Also, the need to increase the personnel pay scales and benefits also effective July 1, 1974, to meet the current economic situation is cited as a reason for these price adjustments.

Duplicate Bridge

The winners in the Mattapoisett Duplicate Bridge Group this week were: first, North and South, Mrs. Nanette Sylvia and Mrs. George Hall; second, Mrs. Lee Farrington and Mrs. Archibald Lammey; East and West, first, Mrs. Lee Root and Colonel Tomasik; second, Mrs. Helen Costa and Mrs. Doris Vargas. The next meeting will be at Mrs. Frank Cadden's home on July 16th at 10 A.M. Please call Mrs. Cadden at 758-6444 or Laura Cook, 758-4529, by Sunday, July 14th. See you there.

Books! Puppets!

The Marion Library Associates will hold their annual book sale July 20 from 10 A.M. to 2 P.M. in the Sippican School.

In conjunction with the annual sale, a puppet show for children will be presented July 20 by the Cranberry Puppets of Brookline, Mass., a non-profit organization of people interested in making and performing puppets. They are members of Puppeteers of America.

Anyone wishing to donate books for the sale may deliver them to the library. The building is open Monday through Friday from 1 to 5:30 P.M. Additional hours are Tuesday and Wednesday from 7 to 9:00 P.M., Thursday from 10 A.M. to noon and Saturdays from 10 A.M. to 1 P.M.

Mrs. Richard Schaefer is Trustee Coordinator for the event. Others on the committee are Mrs. Herbert Repass, book sale chairman; Mrs. Jack Robb, children's program chairman; Mrs. Pamela Pullo, luncheon chairman; Mrs. Carol Orze, publicity; Miss Cindy Brush and Jeanne Arthur, posters.

During the sale a light luncheon will be served from 11:30 A.M. until 1:30 P.M.

The book sale will be held in the Sippican

NOTICE
NEW RUBBISH COLLECTION SCHEDULE

The Town of Mattapoisett now has a three-day rubbish collection; collection days and areas as follows:

IN EFFECT NOW

WEDNESDAYS: (AREA #1 ON MAP, OPPOSITE PAGE) the area of Mattapoisett bounded by and including River Road on the west, Interstate 195 on the north, North Street to the water on the east and the harbor on the south. Included on Wednesday will be Edgewood Lane, Dexter Lane and Captain's Lane.

THURSDAYS: (AREA #2 ON MAP, OPPOSITE PAGE) the area of Mattapoisett north of Interstate 195. Also Fairhaven Road (Route 6) west of the Nest, all of Mattapoisett Neck and all of the Brandt Island area

FRIDAYS: (AREA #3 ON MAP, OPPOSITE PAGE) the area of Mattapoisett east of and excluding North Street

Since this is a new collection schedule and a new contractor, the Board of Health asks for the help of the townspeople in getting the program started. If your rubbish is not collected on the appropriate day, call the Town Hall leaving your name and address and your rubbish will be collected on the next working day.

contributions are sought to help the trust build up reserves for future land acquisition.

"The trust seeks to acquire land through gift, purchase or conservation easement as a means of preserving the attractive natural heritage of our growing community for present and future generations," said David W. Hewitt, president.

"As a private organization outside the realm of politics, the trust can assume leadership in wise land management and flexibility in dealing with the specific desires of donors of land," he added.

"Land owners who love and care about their land and have a sense of stewardship about its future may consider the trust as a vehicle for land preservation. Property owners who give land or grant conservation easements on their land to the trust are the beneficiaries of reductions in their real estate and income taxes."

Membership in the organization is open to anyone.

The telephone directory was used as a basis for compiling the list of persons to which membership invitations are being sent. Those of you who may be interested in becoming a part of the trust and who do not receive an invitation should contact Mr. Hewitt or direct correspondence to Mattapoisett Land Trust, Inc., Box 31, Mattapoisett.

In addition to Mr. Hewitt, the Board of Directors also includes Atty. Donald J. Fleming, vice president; George B. Mock, treasurer; Bradford A. Hathaway, clerk; Mrs. Isabella Watts, Dr. Larry Seidl, Mrs. Lorraine Seidl, Mrs. Norma Hewitt, Mrs. Priscilla Hathaway, Mrs. Violet Jones and Robert A. Cattley.

YWCA NEWS

The New Bedford YWCA is not only a place to wait and meet, it is also an informal art gallery. This month's presentation is an all-women creative arts exhibit, "Our Hands", sponsored by the Women's Study Group which meets on Tuesdays.

The exhibit, which was started on July 1, will continue through the middle of the month. New items will be added on July 16.
